

## Lecturer Workplace Exposure

Dear Prospective Host Employers,

**We are excited to announce an opportunity for collaboration between your business and False Bay TVET College. Our dedicated lecturers are eager to gain exposure to the workplace environment to enhance their teaching methods and better prepare our students for successful careers in various vocational and occupational fields.**

By hosting our lecturers, you can contribute significantly to the development of a skilled and competent workforce.

**Here are some of the key benefits you can expect when hosting our educators:**

- 1 Relevant Vocational Skills:** Our lecturers will acquire hands-on experience and gain practical skills directly related to their respective fields, ensuring they can provide up-to-date knowledge to our students.
- 2 Curriculum Enhancement:** The workplace experience gained will enable our lecturers to refine and tailor our curriculum to meet the evolving needs of your industry, resulting in graduates who are better prepared to excel in the workforce.
- 3 Industry Knowledge:** Our lecturers will obtain firsthand insights into the latest industry trends, technologies, and best practices, which they can then share with our students, keeping them informed about the current state of your industry.
- 4 Understanding of Requirements:** By working closely with your business, our lecturers will gain a deep understanding of the specific skills, competencies, and attitudes needed for success in your industry, ensuring our graduates meet your expectations.

False Bay College is committed to collaborating with industry partners like you to shape the future workforce and bridge the gap between education and industry. We offer expertise in various fields, including Business Studies, Engineering, Hospitality, Education, and Safety & Society.

If you are interested in hosting our lecturers and being a part of this mutually beneficial partnership, please send us an email. We will promptly provide you with more detailed information and discuss how we can work together to enhance the education and training of our students.

Thank you for considering this opportunity to make a positive impact on education and industry development. We look forward to the possibility of working with you.

Sincerely,

Ms. Didi Assure-Wertheim  
Academic Head: NC(V) & Nated Programmes
